

Programme time
Over **21 hours** of core learning + **45 hours** of additional resources

Equip staff with the skills they need to be outstanding leaders and managers

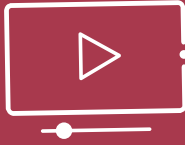

University Leadership and Management is an online programme of 6 courses covering the broad topics common to a management syllabus, but with a specific focus on the challenges faced by leaders and aspiring leaders working in universities and colleges.

ABOUT THIS PROGRAMME:

- By completing this programme, staff will be equipped with the skills they need to deal with the challenges presented by today's educational environment.
- This suite of six courses can also form part of an accredited course programme and participants will have an opportunity to build up a personal development portfolio.
